# Warm Homes: Local Grants

Fully funded energy efficient upgrades available in Boston, South Holland and East Lindsey

Save on average £700 per year on energy bills!\*

Did you know that installing energy efficient solutions in your home can significantly reduce your energy bills? With the Warm Homes Local Grants, you can make your home more energy efficient, save money on bills and improve your health and wellbeing.

## A warmer home means a healthier home

A cold, damp home can cause or worsen health conditions such as respiratory problems, heart disease and arthritis. By improving your home's warmth and energy efficiency, you can:

Reduce the risk of damp and mould-related illnesses.

Lower stress levels with reduced energy bills.

Stay comfortable and healthy during colder months.

## Apply Today!

Find out if you're eligible and start saving on your bills while improving your quality of life.

*\*energy bill savings dependant on measures and household usage.*
